

*Open market consultation aimed at validating the prerequisite for launching pre-commercial public procurement procedure for the acquisition of research and technological development services finalized to the design, prototyping and experimentation of new technological solutions concerning*  
**“Technological development of the imaging in surgical assistance and support systems”**

**MARKET SURVEY FORM**

*Please email the completed questionnaire, which must be filled out in full, to*  
**asse1fesr1420\_PCP@regione.lombardia.it**  
**by December 20<sup>th</sup>, 2019**

**1) General info**

1) Contact details

First Name	
Last Name	
Job Title	
Organization Name	
Location (City, Country)	
Email Address	
Phone Number	
Mobile Number	
Website Address	

2) You have read the PIN and the descriptive material presented during the open market consultation.

<a href="https://ted.europa.eu/udl?uri=TED:NOTICE:544564-2019:TEXT:EN:HTML&amp;src=0">https://ted.europa.eu/udl?uri=TED:NOTICE:544564-2019:TEXT:EN:HTML&amp;src=0</a>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<a href="http://www.fesr.regione.lombardia.it/wps/portal/PROUE/FESR/">http://www.fesr.regione.lombardia.it/wps/portal/PROUE/FESR/</a>	<input type="checkbox"/> Yes <input type="checkbox"/> No

**2) Company Information**

1) Your company is a:

- manufacturer,  designer,  developer,  system integrator,  business process outsourcer,
- other (please specify).....

2) Do you rely on any partner for the products/component of your solution?  Yes  No  
(if yes, please specify)

3) What is the approximate annual turnover of your company (in euros)? EUR .....

4) How much is the yearly investment for R&D? EUR.....

5) For how many years has your company been trading? .....

6) In which EU countries does your company supply products or services? .....

### 3) Product Information

1) Provide a brief description of your commercialized solution (free text, 2000 char max)

2) Provide a brief description of the innovative aspects of your solution, if any (2000 char max)

3) **How** does your solution match the following functional requirements? Provide key numerical indicators wherever possible. (*Please select the requirements for the relevant innovation need*):

Functional Requirements	How your solution matches requirements (500 char)
1. Must be testable on site, easily transportable, easy to handle, wearable and light-weight	
2. Must include an easily understandable user interface and must be integrated with the various hospital softwares and with all the high-resolution imaging systems	
3. Must be easily linkable to wireless transmission systems (e.g. wi-fi, bluetooth)	
4. Must be possible to easily and cheaply replace the components in the maintenance phase and to activate in-house interventions and remote assistance.	
5. The components must be disposable	
6. It is noted the importance of developing a system capable of avoiding time lag (latency) between the real scene and the virtual objects placed inside it, ensuring to a relative displacement between the surgeon and the real scene correspond the timely movement of virtual objects, without delay or jerky movements	

#### Others information:

- 1) Is the product available on EU market yet?
- 2) Which is technical life expectation of your products and components (years)?
- 3) What is the market price of the commercialized product?
- 4) What is the minimum warranty period you provide on your solution (years)?
- 5) Does your product have a CE or other marks? Please specify
- 6) Can you provide pictures and technical documentation of the product?

....

(\*) **NOTICE ON DATA PROCESSING**  
**for open consultation with the market**

aimed at validating the prerequisite for experimentation of a pre-commercial public procurement procedure for the acquisition of research and technological development services aimed at the creation, design, prototyping and experimentation of new technological solutions for the  
"Technological development of imaging in surgical assistance and support systems"

Pursuant to art. 13 of EU Regulation no. 2016/679 (hereinafter "GDPR 2016/679"), laying down provisions for the protection of persons and other entities with regard to the processing of personal data, Italian Legislative Decree no. 196 of 30 June 2003 and Italian Legislative Decree no. 101 of 10 August 2018, we wish to inform you that the personal data you provide will be processed in compliance with the legislation referred to above and the obligations of confidentiality which the Lombardy Region is required to comply with.

### **1. Purpose of the processing**

The personal data you provide is necessary for the fulfilments required by law for the performance of a task of public interest or related to the exercise of public authority vested in the Data Controller. It follows that the personal data will be used by the regional offices in the context of the procedure for which the declaration is made: requirements related to the validation phase of the prerequisite for experimentation of a pre-commercial public procurement procedure for the acquisition of research and technological development services aimed at the creation, design, prototyping and experimentation of new technological solutions for the "Technological development of imaging in surgical assistance and support systems".

### **2. Processing and storage methods**

The processing will be carried out in automated and/or manual form, in compliance with the provisions of art. 32 of GDPR 2016/679 on security measures, by specially appointed subjects and in compliance with the provisions of art. 29 GDPR 2016/679.

### **3. Existence of an automated decision-making process, including profiling**

The Region does not adopt any of the automated decision-making processes, including profiling, referred to in Article 22, Paragraphs 1 and 4 of EU Regulation no. 679/2016.

### **4. Data controller**

The Data Controller is the Lombardy Region, in the person of its pro-tempore legal representative, with registered office in Milan, Piazza Città di Lombardia 1.

### **5. Data Protection Officer (DPO)**

The Data Protection Officer (DPO) can be contacted at the following e-mail address:

rpd@regione.lombardia.it

## **6. Scope of communication and dissemination**

We also inform you that the data collected will never be disclosed and will not be communicated without your explicit consent, except for the necessary communications that may involve the transfer of data to public bodies, judicial authorities, consultants or other subjects for the fulfilment of legal obligations. Specifically, the data may be disclosed to third parties in the cases provided for by Italian Law no. 241 of 7 August 1990 ("New rules governing administrative procedures and the right of access to administrative documents"), where applicable, and in the event of checks on the accuracy of statements (art. 71 of Italian Presidential Decree no. 445 of 28 December 2000 ("Consolidated text of legislative and regulatory provisions on administrative documentation").

Your data is also processed by Aria SpA as the managing body, together with the Region, of the preparatory phase for the launch of the pre-commercial procurement procedure.

## **7. Transfer of personal data abroad**

Your data will not be transferred either to EU Member States or to third countries not belonging to the European Union.

## **8. Data storage times**

We inform you that, in accordance with the principles of lawfulness, purpose limitation and data minimisation, pursuant to art. 5 GDPR 2016/679 and subject to your free and explicit consent expressed at the bottom of this statement, your personal data will be stored for the period of time necessary for the achievement of the purposes for which it is collected and processed.

## **9. Rights of the data subject**

At any time, you may exercise, pursuant to arts. 15 to 22 of EU Regulation no. 2016/679, the right to:

- a) request confirmation as to whether personal data relating to you exists;
- b) obtain information on the purposes of processing, the categories of personal data, the recipients or categories of recipients to whom the personal data has been or will be communicated and, where possible, the storage period;
- c) obtain the modification and deletion of the data;
- d) obtain the limitation of the treatment;
- e) obtain data portability, i.e. receive data from a data controller in a structured, commonly used and machine-readable format and transmit it to another data controller without hindrance;

- f) object to the processing at any time, also in the case of processing for direct marketing purposes;
- g) object to an automated decision-making process concerning natural persons, including profiling;
- h) request the controller to grant access to, rectify, erase or restrict the processing of personal data concerning you, to object to the processing of said data, in addition to the right to data portability;
- i) revoke consent at any time without prejudice to the lawfulness of processing based on consent given prior to revocation;
- j) lodge a complaint with a supervisory authority.

You may exercise your rights by sending a written request to the Lombardy Region, to the postal address of the registered office or to the e-mail address [ricercainnovazione@pec.regione.lombardia.it](mailto:ricercainnovazione@pec.regione.lombardia.it)
